

# Community Engagement

Booking enquiry for a CARAD Lived Experience Speaker or Guest Speaker

CARAD is the Centre for Asylum Seekers, Refugees and Detainees and is an independent, not for profit charity based in Perth. It was formed in 2000 to support asylum seekers who have been released into the community and has assisted more than 5,000 refugees, asylum seekers and detainees in Western Australia with a vast range of services.

It is CARAD's vision for all asylum seekers and detainees to be treated with full respect for their human rights and Australia's international obligations, and if they are accepted as refugees then become independent citizens and accepted community members. It is CARAD's purpose to provide advocacy and support for those who are asylum seekers, refugees and detainees in Western Australia.

Each year, CARAD participates in community events which are very diverse including consultations, meetings, public forums, media interviews, training courses, exhibitions, excursions and presentations to schools, community groups, churches, schools and universities.

If you would like to engage with CARAD for your event, please complete this form and we will get in touch to discuss further.
